Trip Day: Day 1

Location: Yukon Harbor

Name(s): Mark, Fletcher

School/Grade: Odyssey B

Afternoon Report From *Carlyn* to the Web

Please share some interesting stories about today...

Both watch groups took samples of pH, salinity, and plankton
We dropped the wind watch off at Blake, then went to Yukon Harbor

Any favorite wildlife sightings, quotes, games to share?

Both groups saw 2 sea lions. Mark almost threw my hat in the ocean

Describe the anchorage or moorage where *Carlyn* is right now:

The water watch anchored in Yukon Harbor.

Today's weather...

The weather has been gray overcast sky, with gentle rolling waves. No sun

Describe highlights from today's science and sailing watches:

Both groups saw sea lions and learned how to catch plankton and put up sails. We learned to drive a boat with mediocre success.

Any questions, concerns, or expectations for tomorrow?

We think it might rain and be very wet. Mark expects us not to sink.
